

Camping

Camping is one of the most popular activities throughout western Kentucky. Whether you prefer to pitch a tent along a secluded stream or desire a modern RV set-up, you'll find the perfect place to sleep under the stars. Land Between The Lakes offers a wide variety of camping. There are RV hookups at Hillman Ferry, Piney and Wranglers Campgrounds. Both Energy Lake Campground and the Fenton Special Events Area have some sites with electric hookups. Wranglers and Piney Campgrounds offer rustic camping shelters. Basic camping is available at Rushing Creek, Birmingham Ferry/Smith Bay, Cravens Bay, Gatlin Point and Turkey Bay. And finally, if it is your desire to escape all of the trappings of civilization, back-country camping permits are available at any LBL Welcome Center. To make reservations for camping in LBL call 1-877-444-6777 or visit www.recreation.gov. The America the Beautiful – National Parks and Federal Recreational Lands Passes (Annual, Senior, Volunteer, and Access Passes) are valid in LBL. (This pass replaced the Golden Pass).
